ENTERPRISE QUALIFICATION

With years in educational furniture, our products sell worldwide. We have strong capacity, local storage, logistics, and campus project experience, covering the Philippines, US, Canada, UK, Thailand, Mexico, etc.

Since 2015, we've targeted the Philippine market, producing 200,000 desk-chair sets monthly, exporting tens of millions of USD yearly, holding over 95% market share, with local warehouses and official recognition.

Since 2018, we've partnered steadily with Altair Supply Co., Ltd., exporting over 100,000 folding tables annually. We've completed projects at Red School in Canada, Stratford Campus of Malvern College Chengdu, Siam University in Thailand, and Marist College Campus in Australia, offering customized furniture.

We serve universities like Guangdong Baiyun University and Guangdong University of Foreign Studies in China, providing complete desk-chair sets and customized seminar tables for various teaching spaces.
